PURIFYING CLEANSING GEL

Whitaderm

Ideal for:
All Skin Types, Including Oily to Combination Skin

Benefits:
Cleanses Skin Surface
Maintains pH Balance
Regulates Sebum Secretion
Doesn't Clog Pores
Soap-free & Oil-free

Result:
It effectively removes dirt, impurities, debris, and makeup traces, evens out the skin, regulates sebum production, eliminates excess oil, and prevents breakouts without stripping the skin's natural oils or disturbing the skin barrier.

Active Ingredients:
Niacinamide, Camellia Sinensis Leaf Extract, Salicylic Acid, Retinyl Palmitate.

Directions:
Apply a sufficient amount of product to wet or damp skin of face and neck. Lather up gently to get rich foam. Rinse thoroughly with lukewarm water and pat dry.

MOISTURIZING CLEANSING GEL

Ideal for:

All Skin Types, Including Normal to Dry Skin

Benefits:

Cleanses Skin Surface
Maintains pH Balance
Brightens Skin Tone
Doesn't Sting the Eyes
Soap-free & Non-Drying

Result:

It effectively removes dirt, impurities, debris, and makeup traces, moisturizes and hydrates, lightens and brightens, softens and smooths, nourishes and replenishes the skin without over-drying, stripping the skin's natural oils, or disturbing the skin barrier.

Active Ingredients:

Alpha-Arbutin, Glycyrrhiza Glabra Root Extract, Lactic Acid, Bisabolol, Algae Extract.

Directions:

Apply a sufficient amount of product to wet or damp skin of face and neck. Lather up gently to get rich foam. Rinse thoroughly with lukewarm water and pat dry.

Whitaderm

Ideal for:
All Skin Types

Benefits:
Provides Optimal Hydration
Maintains Moisture Balance
Moisturizes Skin in Depth
Strengthens Skin Barrier
Evens Out Skin Tone

Result:
It strengthens the skin's natural moisture barrier and provides a protective film that counteracts moisture loss and preserves optimal moisture levels, while quickly penetrating the skin. It protects against free radicals and provides a smooth, soft skin surface without clogging pores.

Active Ingredients:
Camellia Sinensis Leaf Extract, Ceramide NG, Tocopheryl Acetate, Avena Sativa Kernel Extract, Sodium PCA, Hyaluronic Acid.

Directions:
Apply a sufficient amount of product to cleansed and dried skin of face, neck and décolleté. Gently massage to completely absorbed. Repeat the application as needed.
